Williamsville, N.Y.

Dear Mr. Brauner:-

I have your letter of the 23rd, and most agree with you that our DX broadcast was a great success.

Owing to the fact that we have never had a DX program before, we are not in a position to judge on the success of same but do know that in our opinion it was very much a success.

We have nearly 200 letters at the mailing of this letter with reports coming every mail. We have letters verifying reception from Maine, Florida, Michigan and Wisconsin say nothing about the states in the east and nearer to Tupper Lake. We have not had the time to read all of them say nothing about answering them. I did not believe that we would have any such response and must say that it has caught us very much unprepared.

I am enclosing two stamps for your collection, one our station stamp and one of the Olympic stamps which went on sale here to-day and that I believe that you will want as a souvenir.

Again I want to thank you for the fine co-operation that you gave us and am going to write WGAR to-day. It was very kind of them to stand by for a period and we appreciated it very much.

We had WRBO tuned in and waited until they left the air before our carrier was placed on the air. We also had a telegram from them a few minutes after we signed on, stating that we were coming in fine.

Every one hear is excited and anxious to put another DX program on for your club.

I must get busy now and start taking care of the fan mail.

Best regards to your club and yourself I remain,

Yours very truly,
