Dear Mr. Brauner:

Thank you very much for your report on the reception of our WHLI signal on January 16th, 1949.

Although you had quite a time of it, your perseverance did result in accomplishing it's purpose, that of adding another station to your verification list.

Of course, all broadcasting stations try to keep most of its' power in a ground wave but some portion is bound to find it's way into a sky wave for you fellows reaching out to distant points.

The portions of our program which you received correspond with our log of that date.

For your records, the name of the speaker was Rev. Leroy F. Moon of the Calvary Baptist Church of Baldwin, Long Island.

Cordially,

*Frank E. Knaack*
