In reply to your communication of **JANUARY 8TH.**

This is to verify your reception of W H N at the time and date mentioned.

We exceedingly regret the delay in answering your request but due to the recent consolidation of W P A P - W Q A O and W R N Y, with W H N, our entire staff has been engaged in organizing all departments for the new W H N. All of the other call letters have been discontinued.

Our new Western Electric Transmitter is located in Astoria, Long Island, N.Y.

Thanking you for your kind interest in writing and trusting to hear more good reports.

Yours very truly,
