Dear Sir:

Due to a previous oversight your letter of September 14, 1948 was not answered.

This is to certify that W L E A was received by you on September 14, 1948 from 9:48 to 10:15 a.m. E.D.S.T.

As you suspect, our tower is atop the second highest ridge in the Hornell vicinity, and we seem to put out quite a good signal because of this fact.

Thanking you kindly for your interest, we are

Sincerely yours,
