

NASSAU BROADCASTING CORPORATION

STATION WPOE

PATCHOGUE, LONG ISLAND, NEW YORK

Mr J. W. Brunner  
Williamsville, N.Y.

Dear Friend:

This letter will serve to verify your reception of the program of W.P.O.E. at *1,000 c/m* on *Nov 20, 1930* broadcasted on 1370 Kilocycles--100 Watts Power Output.

We are very glad to list you among those who have heard our programs and we hope you will continue to listen in on our broadcasts.

Thanking you for your kind letter, we are,

Very truly yours,

NASSAU BROADCASTING CORPORATION

STATION MGR.

P.S. We will have some new DX stamps ready soon. They are really different. If you send us 10¢, we will be glad to mail you one as soon as they are ready.

*As soon as our stamps are ready,  
one will be sent to you.*

*Thank you.*

*W.P.O.E. Radio Staff.*
