Dear "J. W.",

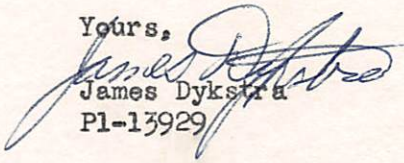

Al Ruben and I have been very busy these past few days, so I am getting this letter off when I have, or rather made, a few free moments.

It certainly seems that you did receive W R V M on the twenty third. You tally closely with our log so you may take this as a letter of verification.

As for the excellent reception, I have no answer except that we have been practically snowed under with DX reports - including one from Indiana! Propagation conditions must have been excellent that night.

Al Ruben may follow this letter up later.

Yours,

James Dykstra
