ROCHESTER, NEW YORK

December 22, 1953

Mr. J. W. Brauner  
National Radio Club  
23 Howard Avenue  
Williamsville 21, New York

Dear Mr. Brauner:

In answer to your letter of December 17, I will try to answer the best I can, some of your questions relating to WNIA.

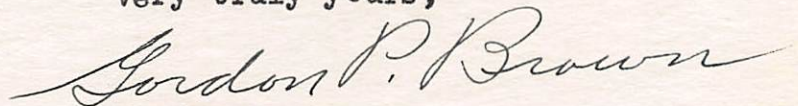

At the present time it is proposed to locate the station about two miles west of the airport on Genesee Street. As for the construction, we no doubt will be held up until Spring because of the limitation of frost, as well as the final FCC okay for the transmitter site.

You may be assured that I will be interested in your offer to observe our signal and as soon as we get down to business in the matter of testing, I will make it a point to check with you.

I am glad to hear that you are a resident of Cheektowaga which, from my observations, appears to be one of the fastest growing communities in the United States.

If it is possible some time when I am in Cheektowaga, I would like to arrange to have lunch with you.

Very truly yours,

Gordon P. Brown  
President
