January 2, 1952

J. W. Brauner  
23 Howard Avenue  
Williamsville 21, New York

Thank you very much for your reception report of  
December 7, 1951, which is verified to be correct  
by this letter.

You may be interested in knowing that WHHH operates  
from 6:45 a.m. to 12 midnight with a power of five  
thousand watts into a six element directional ant-  
enna array. Our beam is north-east and south-east.  
The studios of WHHH are in down-town Warren and our  
transmitter is located at Lordstown, Ohio, six miles  
south of Warren.

Sincerely,

*Robert E. Hardy*  
Robert E. Hardy  
Chief Engineer  
WHHH
