Hi J.W.:

Glad to get your report although you could hardly tell it by the length of time it has taken me to getting around to answering it. As you know I find this report interesting to say the least. your logging is correct and the talk was part of the same program. The singers are the Temple Four on every Sunday morning from 7:30 to 8:00 A. M.

About the station, Nice station in a small way.. Been on since Sept. about 16th including equipment test period. Operating with a staff of five, Using restricted operators and myself. Doing much better in all ways than most new stations which is heartening to us.

Briefly that it for us and would like to thank you for your report and hope to hear from you again soon. On behalf of the staff and management of WIRO I wish to wish you and your a very happy new year and may the future ones be a bright.

Very truly yours,
