Dear Sir:

Thankyou for your DX letter on our broadcast of Sunday, April 3 from 7:05 to 7:15. The items of reception were correct and fairly accurate. It was a transcribed program between 7 and 7:14 and the sign off was the same as stated. Northwestern Ohio is our primary service area and is therefore included in all our breaks and sign off. These items definitely identify our station as the one you heard for we are the only one in this area.

Thankyou again for your letter for it is always interesting to find out about our coverage.

Sincerely yours,

Kenneth Farrance
Chief Engineer
