Dear Mr. Brauner:

You did hear WTRF on Tuesday, Aug 31, 1948.

This test was for a frequency check with R.C.A. and the engineers could not find his tone record is the reason the march was played.

The word "Skyline" was also correct.

We have been on the air since Nov. 29, 1947.

Glad to hear from you.

Very truly yours,
George I. Cowen
Chief Eng.
