Dear Mr. Brauner:

Thank you very much for your letter of December 10th, advising us that you heard WWSO under date of December 10th.

WWSO is a new independent station, operating on 250 watts of power. Our program format is based on Music and News, with news every hour on the hour and headlines on the half hour.

We enjoy receiving such letters as yours and although we have been on the air only since September 4th of this year, we have quite a collection from all over the country.

Thanking you for your interest in WWSO, I remain,

Yours very truly,

R. W. Cory
