Dear Mr. Brauner:

We wish to thank you for your kind letter of December 3rd. This verifies reception as reported by you in your letter.

Perhaps you will be interested to know that KASA will broadcast a special DX program for the Newark News Radio Club on December 25 from 3:00 until 4:00 a. m. CST). KASA will endeavor to give the club members a good program, and one that will be of interest. You will, no doubt, be notified of this through the club, but if you care to, you may also give this any publicity that you care to.

This is a special program and does not take the place of any regular scheduled program. We are hoping that it meets with the approval of our many listeners in the Newark News Radio Club.

Yours very truly,

G. W. Peeler,
Director of DX Broadcasts
