Dear Mr. Brauner:

We are pleased to acknowledge your letter of reception dated October 12th, as it is always a pleasure to hear from our eastern friends. As this was the first DX program of KGFG under the new management it is a great satisfaction on our part to know that our Station reached you so clearly.

We have been mailing photos of our Studio Staff to each of our listeners, and will forward one to you within the next few days, as our first print has already been exhausted.

Answering your inquiry regarding our taking part in some of your DX programs it will be our pleasure to join in with you at any time that you notify us of such a program as you have outlined in your letter.

Thanking you again for your letter of reception, we are,

Very truly yours
