Dear Sir:

This is to acknowledge receipt of your letter stating you received signals from KRHD on the morning of November 9, 1948. Your report checked with our station log for the above mentioned test program. We have a test program each second and fourth Tuesday morning from 1:05 AM to 1:20 AM CST for frequency check with Commercial Radio of Kansas City, Missouri. Perhaps you will hear us again..... if so let us know.

Hope you enjoyed the good Hillbilly and Oklahoma music played on that test program. We had a good time doing it.

Your DX report was one among a half dozen or so we have received from New York State in the last month. Thanking you for your report...

Yours truly
