Dear Mr. Brauner:

This is to verify your report of reception
of KVLH between 2:05 and 2:24 AM CST on February 22, 1948.

Seems that KESM was really putting out on
that night too since most of the letters I have received
have mentioned them. I really appreciate your nice letter
and would like to have time to answer it in more detail.
Thanks a lot for your comprehensive and interesting report
and best wishes to you for good DX-ing.

Sincerely yours,

H. Edward Walker
