Dear Mr. Brauner:

We wish to acknowledge your letter of November 4th. Please accept our apologies for this delayed verification.

We do appreciate your quick cooperation and wish to verify your reception of KWON's test broadcast on November 3, 1942, from 1:30 A. M. to 2:00 A. M., Central War Time.

Thank you for your best wishes. Our next test broadcast is the first Tuesday in December, in case you should be listening -- perhaps we'll come in better then.

Yours very truly,  
RADIO STATION KWON

Program Director
