Dear Mr. Brauner:

I am very glad that you were numbered in the audience that received our DX program early in the morning of January 16th. Evidently reception conditions were unusually good in the east and middlewest that morning. At least we judge so by the number of reports from the program.

I have in my desk drawer your letter of November 15 and the two self addressed stamped envelopes, but in this particular case there was not sufficient time to notify you of the program. It was arranged on rather short notice.

With best wishes, I am

Yours very truly,

W. L. Kadderly
Program Director
Radio Station KOAC

P.S. Your report tallies exactly with our log.
