Dear Sir:

This letter will verify your reception of  
our test program on the morning of March 21st.

We are installing a complete new station  
and of course, this necessitates a great deal of  
testing. We have a new transmitter, a new tower  
and a completely re-furnished new studio. So, we  
are doubly glad to have your most complete report  
on our reception.

Thank you so much for your card. We shall  
appreciate hearing from you again, in case you  
pick us up.

Very truly yours,

*Frank L. Hill*
