Dear Mr. Brauner

I'm very happy to give you definite confirmation of your last report on our test program of Jan. 12, 1953. I have been very surprised at the reports we have gotten here from that and other test programs. It isn't very often that we hear from as far away as you are, although we have been heard in New Zealand. Let me thank you for your report and your nice letter, and express the hope that you will hear from us via the airways and we will hear from you again in the future.

Sincerely

Ralph L. Spaulding
