Dear D X'er:

Thanks alot for your card on the eleventh broadcast.

For your information, when KHJ signed off at 4 A. M. reports from the West were very interesting.

Realizing that you received my veri-card of an earlier test, I am sending you this to enter in your files as a verification of your reception.

Thanks again for sending me the report and I will try to be on again in a couple months with another D X Hop.

73's and best of luck to you,

S. E. Davis
Chief Engineer
