Mr. J. W. Brauner

Williamsville 21, New York

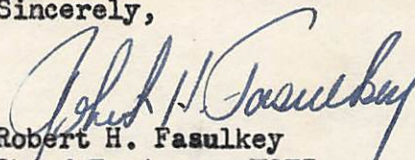

Dear Mr. Brauner:

Thank you very much for your excellent report of our signal there in New York. To say the least, we are pleased with your report and that we were able to reach that far. You are in all respects correct as to our sign-off at midnight, and the contents of the news and sign-off procedure that day.

If you should ever have an opportunity to listen to our frequency checks, they are at 1:15 A.M. on the twenty-first of every month.

Thank you for your best wishes, and may we have an opportunity to hear from you again. We would like to extend an invitation to you to visit with us if ever you are in our local. And should you ever have need of our assistance, please do not hesitate to write.

Sincerely,

Robert H. Fasulkey
Chief Engineer, WCVI
