Dear Mr. J. W. Brauner.

First of all, I want to thank you for your wonderful report on our signal - and would appreciate another answer, when I go on the air Monday morning March 5, 1951 between 4:15 A.M. and 4:45 A.M.

Taking 15 minutes from KC1D - 1490 KC - Caldwell, Idaho as scheduled on DX calendar.

We are going to use a General Electric limiter instead of the old Raytheon limiter, and want your comparison.

This letter verifies and also confirms that your report on receiving WESB is correct & true.

Thanks a million.

Joseph Budak CE
WESB.
