Mr. J. W. Brauner
P. O. Box 22
Valier, Pa.

Dear Mr. Brauner:

Many thanks for your report of reception. We at WGSA were very glad to receive your report. I'm sorry that I'm late in verifying the report, but many problems are encountered in getting on the air, especially a directional operation.

We do not have an early morning test period.
Thanks again for your interest.

Sincerely,

Samuel R. Youse
STATION MANAGER & C. E.
