Dear Mr. Brauner,

I have received your letter dated Nov 1948 containing your post card. I will mail this card to you as soon as I determine when I will again put the station on the air in the early hours of the morning.

Here is some information that may be of interest to you - - - The Newark News Radio Club has contacted me asking me to operate the station on Jan. 6, 1949 at 3:00 to 4:00 A.M. in the morning. I am going to ask them to try to change this time to 1:00 to 2:00 A.M. instead so that I won't have to get out of bed and travel to the transmitter to go on the air - then go home again and come out again at 6:30 A.M. for the regular broadcast time. So, WHOL will possibly be on the air early in the morning on Jan. 6 1948.

I will mail your card however when I know we will be on the air at an earlier date.

Thank you for your very interesting letter.

Very Truly Yours

Bob Fulton (W3KUJ)
