Station WICK
Scranton, Pa.

Dear Sir:

Would you please give me some information on the operating hours of WICK. I am interested in knowing if WICK is still operating 24 hours a day.

During your recent and regrettable emergency I heard WICK on 1400 quite often out here during the morning hours, but recently I am not hearing it. So am wondering if you are still on all night.

You folks did a fine job, performing a real community service for your listeners then.

To simplify a reply, just answer the questions given below and return this letter in the enclosed envelope.

Thanking you for this favor, I am.

Very truly yours,

What is the present schedule of WICK? 6:00 AM to 1:00 PM EDST

If on 24 hours daily, do you have any mornings on which you are silent?

Mornings of the week? N/A

Time of silence then? From 1 AM. to 6 AM.

Are any schedule changes being planned? NONE Details?

On behalf of our staff I thank you for the compliment you pay us on our recent participation of the FLOOD! We have a small staff - but they worked like troopers 5-7 hours - STRAIGHT!

Thank you

*Joe Silva
