

Dear Friend:

This will verify your reception of WKOK, Pennsylvania's newest and most modern 100 watt broadcasting station, in its initial test program on the morning of Aug. 9, '33 at 3:21 AM/EST.

Thanks for your well-wishes, and your kindness in letting us hear from you so promptly. In appreciation of your kind letter, you will receive a little token in the near future for the assistance you have given us in helping to make our transmission as perfect as possible.

Your 55th Pa. station remains

Respectfully,

STATION DIRECTOR
