Mr. J. W. Brauner
23 Howard Avenue
Williamsville 21, N. Y.

Dear Mr. Brauner:

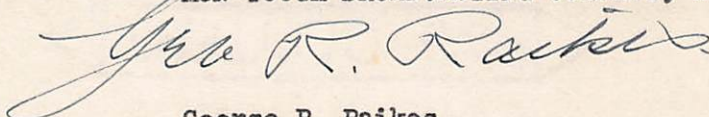

This will acknowledge receipt of your communication of the 25th wherein you advise that you were able to pick up our signal between 5:08 and 5:15 in the morning. This was an engineer's test, and we are not on the air with programs as yet but expect to be shortly after the first of the month.

We have a directional antenna system here protecting against three points--Northeast, Northwest, and Southwest. However, I believe that you will still be able to pick up this station after we are on the air in regular operation. Our hours will be from 7 AM until midnight, and if you are able to get us on our standard broadcasts later, we will greatly appreciate your verifying same.

Thanking you for your courtesy and interest, we remain

Very truly yours,

MON-YOUGH BROADCASTING COMPANY, INC.
