Dear Mr. Brauner:

Thank you for your letter of October 16, 1949 in regards to the reception of our station. The information you submitted to me is correct, the program you heard is the WRYO SPORTS ALBUM sponsored by the MILLS RADIO STORE of BEAVER, PA. It is our last program of the day prior to sign off. Thank you for your information as to the strength of our signal, and as to midnight frequency checks, we haven't any all ours are taken by the Penn State, College, during the daytime operation hours. Wishing you luck in radio, I remain.

Sincerely yours in radio,
