SCHENLEY HOTEL
PITTSBURGH, PENNA.November 5 1931

Mr. J. W. Brauner
17 E. Spring St.
Williamsville, N.Y.

Dear Sir:

Pardon our slowness in answering your excellent report of our last test program in September.

Certainly do appreciate fine reports such as yours and as to date of next test, would say that at this writing we cannot give a definite date for our next test program. At this time have no plans for a test program very soon but will be glad to drop you a line letting you know as soon as plans are definite.

Thanks for your offer of publicity of the test and will always look forward to your fine reports of our future tests.

Am enclosing an ekko stamp for verification.

Very truly yours

WWSW BROADCASTING STA.

A. Lewis,
Chief Engineer.
