Dear Mr. Brauner:

This is to verify your QSO of our program of January 11, 1948 6:00 - 6:12 AM EST. I have checked the Studio Logs of WENA and found your report correct.

I see where you report the temperature 21 degrees. That really makes me feel good. The temperature here at the above time is approximately 78 degrees.

Thanks for your report and I hope to hear from you again.

73,

George E. Schellhas
Chief Engineer
