Mr. J. W. Brauner
23 Howard Avenue
Williamsville 21, N. Y.

Dear Mr. Brauner,

I'm sorry about the long delay in answering your reception report and giving you verification of same. I had put it aside expressly for the purpose of wanting to personally answer it because I thought it was a good report. In so doing this it got mislaid among other papers along with another good report from North Carolina. I wanted to compliment you and the other fellow on the fine reports sent in, plenty of information to our interest and for honest verification.

So accept this letter as verification of your reception on February 13, 1954 at 5:00 PM EST. Best of DXing.

Sincerely yours,

Joseph Britto
