Dear Radio Listener:

It is indeed with pleasure that we are able to verify your reception of this Station, WEAN, at the time indicated in your communication to us. We are pleased to know that we have so many listeners outside of the primary coverage area of our Station, and that our technical equipment is operating so efficiently. We hope that you will listen to our Station many many times in the future.

Thank you for writing us.

Sincerely,

Marie A. Creamer
