Dear Mr. Brauner:

Thank you very much for your reception report of our initial test program. This letter is to verify that report.

We appreciate the kind remarks you made about our station. We were so pleased to hear from you and we certainly do not consider it a bother to answer all of the DX letters we are receiving. We just appreciate all of you who have taken the time to write.

We have all had a lot of fun around the station trying to pronounce the name of the town on the postmark of your letter... Punxsutawney. I don't think any of us have it yet.

Thanks again for your interest.

Yours very truly,

Harry J. Morgan
