Dear Sir —

I want to thank you very much for the wonderful report on our station, WHLP. The data you gave in your letter concerning the Dec 9<sup>th</sup> broadcast is correct.

Our operation here is of course daytime on 1570 KC with 1000 watts power. Our equipment is the latest produced by the Gates Radio Co.

Hope you hear us many, many times again.

Very truly yours  
James Campbell
