Dear Sir:

In reply to your letter of July 25th., probably your report was lost due to the fact that our engineers have been busy lining up equipment.

You are correct on your reception report as we were making a test program the morning of January 25th...at 3:52 A. M. Eastern Standard Time.

We are always pleased to hear from any one of you so please write again and we shall be more prompt in our reply.

Yours very truly,
