Dear Sir;

Many thanks for your report on this station on July 7, 1946 from 4:40 to 3:00 AM CST. I believe I verified your report of reception of WROX, Clarksdale, Miss. several months ago. I hope you have the chance of logging a new station in Texarkana, Texas on 1400 kcs. soon, as we have a construction permit there.

Yours very truly,

Radio Station WDSG
