Dear Sir:

We wish to acknowledge your letter of December 19, stating that you had heard signals from WTRB, Ripley, Tennessee on Sunday afternoon, December 19. Your log is correct.

Ripley's new station, WTRB, went on the air for it's first time Saturday, December 11. We're using all new R.C.A. equipment with RCA-BTA250 watts transmitter. We have a 200 ft. tower and are getting excellent reception for about a fifty miles radius. We go on the air at 7 A.M. and sign off at 4:45 P.M. for the month of December.

Once again we would like to say thanks for your interest in writing us.

Yours very truly,

RADIO STATION WTRB

We have a newscast each day at 4:30 from United Press, so I am sure it was our signals you were hearing.
