Dear Sir,

Received your letter of March 9, 1951 concerning verification of an earlier report.

We are very sorry to have missed your report. Hope you won't feel that we were not going to give you a veri of your report. The report that you sent earlier probably got mixed up with some other mail and got lost. We received quite a few and you know how much trouble that can be.

This letter is to verify your report of October 12, 1950 and to thank you very much for that report.

Thanking you again and our apologies for not answering sooner

I remain,
