Dear Mr Brauner

Happy to receive yours
of the 10th inst - Glad to know that you
heard our early program on Sunday last
we had over two
hundred letters and cards to acknowledge -
consumed nearly two hours - Consequently
did not have much time for music -
which is regrettable for I realize your good
folks would much prefer music to the
bobbling of Duett singing and the wailer -

Really surprised to
learn that you get us so often - glad to
know it - only using 100 w.

We appreciate your
letter and hope you'll write again. -

Sincerely

Bill Mc
Nye

Always like to acknowledge letters in long hand - I
appreciate our listeners
