MY DEAR RADIO FRIEND:

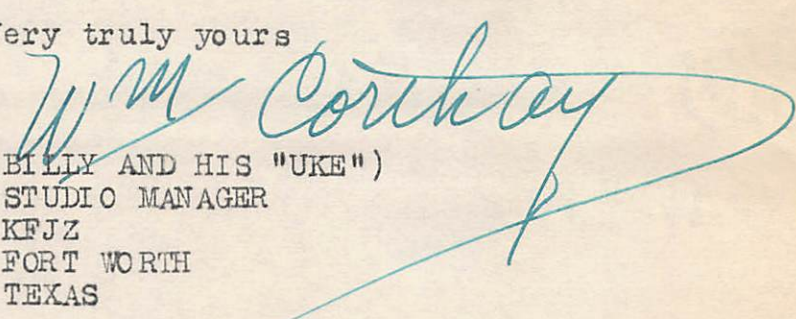

Many Thanks for your letter, I was very glad to hear from you again. Quite pleased also, to hear about the excellent way in which the program was received on your end of the AIR.

I am enclosing you the EKKO STAMP, which you requested. I was under the impression that I had sent you one. I would appreciate it greatly if you would tell me how my Announcing has been going out over the Air, and let me know by return mail.

Will cut this letter short, as I have a tremendous amount of Correspondence, the last few days. I received a letter on the reception of our station from Havana Cuba. That certainly is getting out for a 50 Watt Station.

Let me hear from you again.

Very truly yours
