Dear Sir:

We hope that you will accept our apology for not answering your request for varification of the frequency test of Jan. 16, 1950. We have no record of your letter, but we hope this one will serve your purpose.

We did make a test of 1420 Kcs. at the time you stated. Our test sheet gives the time as 4:34 A.M. CST.

Thanks for your letter. We are always pleased to receive news of our station.

Sincerely yours,

Truman E. Wright
