Dear Listener:

Your communication acknowledging reception of our programs received and appreciated very much.

We will endeavor to build programs to please the public, and have learned from experience that our listeners can make a large contribution to this end; therefore, we welcome constructive criticism, new ideas, good stories, and suggestions in general. If our programs please you we would like to know it; if you do not like them, we want to know it.

Trusting that we may have your continued co-operation, we are

Yours very truly,
RADIO STATION K. G. K. B.
