Dear Mr. Brauner:

Please accept this letter as official verification of Radio Station KGNC on your reception November 3, 1935.

In checking over our station log we find that your report is correct in every detail.

The manager of the station was presented with a beautiful cake that had the call letters KGNC on the top of it, and that is when he said, "Here I stand with a cake in my hand and my shoes untied. Also at this time he dedicated the station to PUBLIC Service-Convenience and Necessity.

As to our broadcasting hours we go on the air at six A.M. every morning except Sunday and then it is eight-thirty. Signing off at night at eleven o'clock except Sunday and then it is ten o'clock.

We are indeed very well pleased to hear that our signal came in so well and hoping that you will again be able to pick us up on the early morning broadcast, we remain

Yours very truly
