Dear Mr. Brauner,

We thank you for your letter, We are always interested in hearing from listeners and we are of course delighted that you were able to hear our station, even though the reception was poor at that distance which, could be more or less expected.

I am inclosing a program schedule which you may find useful in identifying certain programs should you pick us up again. Usually at the time you mentioned we have the Nightwatchman show which is a night time Disc Jockey and the last program of the day.

If there is anything that we can do to help you please let us know.

Very Truly Yours,

Mark Webb.
Chief Engineer.
