Dear Mr. Brauner:

Received your letter of September 16 today. Glad you enjoyed our show - KXOL is now on 24-hour operation, having gone 24 hours as of September 1, and operates on a power of 1,000 watts day and night.

The show you were listening to was our "Dixie till Dawn", which features the best in blues, dixieland and swing music, the platters being spun by disc jockey Norm Alden.

We trust this will serve to varify your reception.

Sincerely yours,

John R. Crouse,
Chief Engineer
