Dear Mr. Brauner:

In reply to your letter of January 31st. We certainly appreciate the time and trouble you went to in giving us such a complete report on WOAI in Williamsville. There is no question but what you were listening to this station.

Of course it is interesting and gratifying to us to know that we come in so clearly and regularly in your part of the country.

If you ever have an opportunity to do so, would be mighty glad to have you drop in and pay us a visit while enjoying the balmy weather of this fair City.

Yours very truly,

Hugh A. L. Halff,  
President.
