Dear Mr. Brauner,

According to our log of Dec. 19, 1949 the information you have is correct. We were on the air this date from 0100 to 0120 to make a freq. check with T & T Radio Measurements Co.

I am very sorry your first request of verification was over looked or lost and do hope that this verification reaches you.

Success to you and thanks for the report of reception.
