Dear Mr. Brauner,

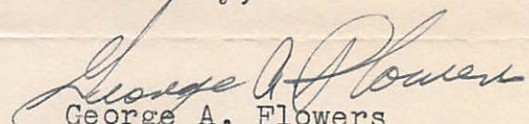

We would like to verify your report of reception of WCVA on Tuesday, February 15, and to tell you your information checked with our program and transmitter log, as being correct.

WCVA is located one mile north of Culpeper, and our geographical location is as follows: North Latitude; 38 degrees 29 minutes 4 seconds, West Longitude; 77 degrees 59 minutes and 22 seconds.

Our tower is 180 feet with 120-180 ft. radials. The equipment used here is Gates and our transmitter number is BC 250 GY.

Our sincere thanks for your report; it was most helpful.

Sincerely,

  
George A. Flowers
