Emory & Henry College,
Emory, Va.

Dear Sir:

We certainly appreciate your communicating with us and we are glad to verify your reception of Station W.E.H.C. (100 watts) broadcasting on a frequency of 1370 kilocycles on our all-night program of Jan. 18-19.

Mr. E. Lyon, Box 565, San Bruno, Calif. received the prize for the letter from the most distant point. We will forward BKKO stamps to those who enclosed 10¢ as soon as our supply can be renewed.

We will broadcast all night on Feb. 8 beginning at 11 P.M. continuing until 7 A.M. Feb. 9. Listen for us and let us hear from you, there will be many prizes.

Yours sincerely, W. B. [Signature]

"W.E.H.C. MID THE HILLS OF SOUTHWEST VIRGINIA"
